

Foundation for Montessori Education (FME): Sexual Violence and Sexual Harassment Policy

In accordance with the regulations under the Private Career
Colleges Act, 2015

1. **Policy Application**

The Policy applies to all members of FME's community including students, staff, faculty, administrators, contract service providers, contractors, officers, directors and individuals who are directly connected to any of FME's initiatives, volunteers and visitors.

2. **The Scope**

The Policy applies to complaints of sexual violence or sexual harassment that have occurred on the FME campus or at an FME event and involve members of the career college community as defined in paragraph one, the Policy Application.

3. **Purpose and Intent**

All members of FME's community have a right to study and work in an environment free of sexual violence and sexual harassment. This document sets out our policy on sexual violence and sexual harassment, defines the prohibited behaviours, and outlines our investigative processes for sexual violence and sexual harassment.

4. **Policy Objectives**

FME is committed to providing members of our career college community an educational environment free from sexual violence and sexual harassment and treating those individuals who report incidents of sexual violence or sexual harassment with dignity and respect. To that end FME will provide a copy of the policy to our students, and educate and train faculty, staff and students about this Policy. We will also educate them in how to identify situations that involve, or could progress into sexual violence against our students and how to reduce it. Where a complaint has been made, under this Policy, of sexual violence or sexual harassment FME will take all reasonable steps to investigate it, including as follows:

- responding promptly to any complaint and providing reasonable updates to the complainant and the respondent about the status of the investigation;
- assisting those who have experienced sexual violence or sexual harassment in obtaining counselling and medical care;

- providing those who have experienced sexual violence or sexual harassment with appropriate academic and other accommodation;
- providing those who have experienced sexual violence or sexual harassment with information about reporting options; and
- providing on-campus investigation procedures for sexual violence and sexual harassment complaints

This sexual violence and sexual harassment policy considers student input to be an important aspect of the development of the policy and also in any review or amendment that will take place from time to time. This will be done through meetings and written communication with students who volunteer to participate in the process.

Definition of Sexual Misconduct

This Policy prohibits sexual misconduct, which includes sexual violence and sexual harassment. **Sexual Violence**, without limiting the generality of the foregoing, includes:

- sexual assault which is any type of an unwanted sex act done by one person to another, without that person's consent, that violates the sexual integrity of an individual ranging from unwanted touching to penetration;
- any violence, physical or psychological, carried out through sexual means or by targeting sexuality, including sexual abuse; and
- criminal harassment (including stalking and cyber bullying)

Sexual Harassment, without limiting the generality of the foregoing, includes:

Any course of vexatious comment or conduct of a sexual nature that is known or ought reasonably to have been known to be unwelcome, including:

- offensive jokes or comments of a sexual nature;
- displaying of pornographic or sexist pictures or materials, including online;
- suggestive or offensive remarks;
- unwelcome language related to gender;
- remarks, jokes, innuendoes, propositions, or taunting about a person's body, attire, sex or sexual orientation;
- leering or inappropriate staring ;
- bragging about sexual prowess;
- physical contact such as touching, patting, or pinching, with an underlying sexual connotation; and

- sexual solicitation or advance made by a person in a position to confer, grant or deny a benefit or advancement to the person where the person making the solicitation or advance knows or ought reasonably to know that it is unwelcome

Reporting and Responding to Sexual Violence

All members of our career college community will take all reasonable steps to prevent sexual violence on our career college campus, or at FME events, and report immediately to the FME Administrator if they are subject to, witness or have knowledge of sexual violence, or have reason to believe that sexual violence has occurred or may occur. To the extent it is possible FME's Administrator will attempt to keep all information disclosed confidential except in those circumstances it believes an individual is at imminent risk of self-harm, or of harming another, or there are reasonable grounds to believe that others in the FME community are at risk. FME recognizes the right of the complainant to determine whether her or his complaint will be dealt with by the police and/or FME. However, in certain circumstances, FME may be required by law, or its internal policies, to initiate an internal investigation and/or inform police without the complainant's consent, if it believes the safety of members of its community are at risk. At all times, FME will do its best to appropriately accommodate the needs of students affected by sexual violence at no cost to the student. In addition, FME community members should be aware that a formal report of an incident of sexual violence is not necessary to access supports, services, or accommodations.

Investigating Reports of Sexual Harassment

If a member of the FME community believes she/he has been sexually harassed by a member of our community, she/he may confront the harasser personally or in writing pointing out the unwelcome behaviour and requesting that it stop; or report the complaint to FME's Administrator in writing. A complaint of sexual violence may be filed under this Policy, by any member of FME's community, to the FME Administrator in writing. Upon a complaint of alleged sexual harassment being made to FME's Administrator, the Administrator will initiate an investigation, including as follows:

- determining whether the incident should be referred immediately to police;
- meeting with the complainant to determine the date and time of the incident, the persons involved, the names of any person who witnessed the incident and a complete description of what occurred;

- interviewing the complainant, any person involved in the incident and any identified witnesses;
- interviewing any other person who may have knowledge of incidents related to the complaint or any other similar incidents;
- informing the respondent of the complaint, providing details of the allegations and giving the individual an opportunity to respond to those allegations;
- providing reasonable updates to the complainant and the respondent about the status of the investigation; and
- determining what disciplinary action, if any, should be taken

Disciplinary Measures

If it is determined by FME that a member of our community has been involved in sexual violence or sexual harassment of a member of our community, immediate disciplinary or corrective action will be taken up to and including termination of employment or expulsion of a student. In cases where criminal proceedings are initiated, FME will assist police agencies, lawyers, insurance companies, and courts to the fullest extent. Where criminal and/or civil proceedings are commenced in respect of allegations of sexual violence or sexual harassment, FME may conduct its own independent investigation and make its own determination in accordance with its own policies and procedures.

Making False Statements

It is a violation of this Policy for anyone to knowingly make a false complaint of sexual violence or sexual harassment or to provide false information about a complaint. Individuals who violate this Policy are subject to disciplinary and / or corrective action, up to and including termination of employment or expulsion.

Reprisal

It is a violation of this Policy to retaliate or threaten to retaliate against a complainant, acting in good faith, who has brought forward a complaint of sexual violence or sexual harassment, provided information related to a complaint, or otherwise been involved in the complaint investigation process.

Right to Withdraw a Complaint

A complainant has the right to withdraw a complaint at any stage of the process. However

FME may continue to act on the issue identified in the complaint in order to comply with its obligation under this Policy and/or its legal obligations.

Review

This policy will be reviewed at least once every three years and will be amended as appropriate.

Collection of Student Data

The Foundation for Montessori Education shall collect and be prepared to provide upon written request by the Superintendent of Private Career Colleges such data and information as required according to subsection 32.3 (8), (9) and (10) of Schedule 5 of the private Career Colleges Act, 2005 as amended such as:

- Any initiatives and programs to promote awareness of supports and services available to students,
- The number of incidents and complaints of sexual violence reported by students, and

FME will ensure that the information provided to the Superintendent does not include personal information within the meaning of the Freedom of Information and Protection of Privacy Act, and to conduct a survey of its students relating to sexual violence as directed by the Superintendent and to disclose the results of the survey to the Superintendent.

Training

Training will be made available to staff, students, faculty and directors at the beginning of each academic year.
